5.2.2.6 Resolution XI: The Commission places on record its appreciation of the effective and energetic steps taken by its Secretary in implementing some of its important recommendations, such as those concerning the preperation of the Manual of Archives, and the publication of records pertaining to Partition and Transfer of Power, and the compilation of reference media. It also approves of the policy of issuing cyclostyled publications, particularly the reference media to records, with a view to facilitating research. Similar steps may also be taken by the State Directors of Archives.

Rajasthan: The Resolution has been implemented in principle.

5.2.2.7 Resolution XII: Keeping in view the enormous problems created by the evergrowing bulk of records, the Commission appreciates the lead presently given by the National Archives of India and the Department of Administrative Reforms, Government of India, in the sphere of management of records of the Union Government and their time bound appraisal. It also notes with satisfaction the steps taken by some State Governments for weeding of their non-essential records. The Commission urges all those State Governments and Union Territories which have not yet initiated such a programme on a regular basis to do so urgently with a view to economising in the long run on the upkeep and preservation of their permanent records. The concerned governments may consult, if necessary, the National Archives of India for this purpose.

Gujarat: The appraisal and weeding of old B class records of princely states have been undertaken by the State Archives. Committees have also been formed to look into the records which are to be weeded out so that no valuable records are destroyed.
